

Why are good attendance and punctuality important?

To make the most of their time in school and to maximise their learning opportunities, it is important that every child attends school regularly and punctually. When a child does not attend school regularly and on time, they will have difficulty keeping up with their work and will therefore underachieve. It is very important for all children to attend school every day and to arrive on time. School is open from 8.45am and children need to be in class by the time the gates close at 8.55am. This is essential to ensure that children benefit fully from classroom learning and that the rest of the class' learning is not disrupted by late arrivals.

NEWS @ AGJS

Issue 18: Friday 8th February 2019

@agjsschool

It has been a busy week at Ardleigh Green where we have been learning, among many other things, about Online Safety and Chinese New Year. Mr Morris and the girls football team played in a tournament on Thursday and we were delighted to hear that they finished in 3rd place! Well done to them!

We have noticed that some children are not eating all of their packed lunch - some food is being thrown away untouched. As a result of this we are encouraging children to bring home uneaten food so that you can keep an eye on what your child is eating during the day.

Don't forget it is our Wellbeing Hub on Monday 11th February from 9-11 am at the Family Centre and an INSET day next Friday, 15th February when the children do not need to attend school.

With many thanks for your continued support, Mr Morris and Mrs Johnson P.S. Due to technical issues, there will not be a video update this week. Normal service will be resumed next week!
