Ardleigh Green Junior School

September 2018

Introduction

Following the London 2012 Olympic and Paralympic Games the Government has provided funding for schools to secure a significant and lasting legacy for the children until 2020. The aim is to develop an enjoyment of sport and physical activity, and to promote a healthy lifestyle in children from an early age.

The funding is calculated by the number of primary aged children between the ages of 5 and 11 years. All schools with 17 or more primary-aged pupils receive a lump sum and an additional amount for every pupil. This funding is ring-fenced and therefore can only be spent on the provision of P.E. and sport in schools.

Aims for our School Sports Premium

- For all children to enjoy and benefit from high quality P.E. opportunities regardless of sporting ability (Some activities may be subsidised so that pupils do not miss out due to financial constraints)
- For staff to have access to training opportunities and continued professional development and sustainability for high quality Physical Education and school sport for years to come
- To make use of collaborative and partnership working
- To ensure the most able children are given the opportunity to compete in tournaments with other schools
- For children to have the opportunity to participate in out of school hours sports activities

Values

Physical Education is at the heart of the curriculum at Ardleigh Green Junior School. Provision and achievement has been recognised by Sport England, with the award of Active Mark Gold and more recently by the prestigious Sainsbury's Platinum Accreditation.. The School also holds the Gold Sports Accreditation from the National Sports Trust in recognition of sustained high performance and provision in Physical Education.

Sport underpins our key values of, **Excellence, Enjoyment, Respect and Equality** which are clearly evident in lessons and participation in competitive competitions and non-competitive sporting activities. As a school we actively promote the three **Olympic values of Friendship, Respect and Excellence** along with the four **Paralympic values of Determination, Inspiration, Courage and Equality**. At Ardleigh Green Junior School, Physical Education is considered to be a **Core Subject**.

At Ardleigh Green children participate in indoor and outdoor physical activities on a weekly basis. Our Physical Education programme, which fully meets National Curriculum requirements, includes coaching in gymnastics, dance, yoga, football, rugby, cricket, golf, tennis, netball, basketball, table tennis, water polo archery and swimming.

Curriculum provision, which provides two hours physical activity a week, is enhanced and extended through a wide range of extra-curricular activities. These activities currently includes:

Gymnastics, football, tag rugby, water polo, netball, golf, tennis, basketball, street dance, cricket, cheerleading, athletics and Change for Life.

The school employs a professional coach to enhance the Physical Education Curriculum. Throughout the year every pupil and teacher has the opportunity to receive specialist coaching. This provision provides excellent CPD for our staff and specialist teaching for our pupils.

As a school we seek to encourage all pupils, regardless of ability, to participate in some form of physical activity. Play leaders organise daily activities for all classes, whilst the National Golden Mile Challenge seeks to encourage every child to walk or run at least one mile a week. All children receive weekly swimming lessons during the Summer and Autumn terms in the school's outdoor pool. In addition, all Year 6 children swim at Central Park Pool to experience deep water conditions and to receive life personal survival training. In 2017 100% of pupils could swim at least 25metres.

Through the Havering Sports Collective, all year groups participate in Sport Festivals throughout the year. In addition, we participate in competitive competitions for football, netball, tennis, orienteering, rugby, cricket, golf, athletics and boccia. Our athletics team have been awarded the Primary School Team of the Year Award by Havering Council on four occasions, in recognition of the school representing Havering in the London Youth Games and winning gold medals in both the indoor and outdoor competitions. Year six participate in an annual Outdoor Pursuits Venture at Sealyham West Wales, which allows children to participate in climbing, abseiling, coasteering, sailing, canoeing, raft building and orienteering.

As a school we are proud of our links with external sporting organisations. This currently includes links with: National Sports Trust (Case Study School), Upminster Rugby Club, Hornchurch Cricket Club, Maysbrook Athletics Club David Lloyd Fitness Club, Premiership Rising Stars and West Ham United. The Headteacher is a Headteacher Sporting Ambassador for the National Youth Sports Trust.

During the academic year **September 2016 to July 2017**, the school received additional government funding of **£8183** to further develop sporting provision in school. This money enabled us to:

- Participate in the Havering Sports Collective
- Provide In-Service training for staff
- Provide coaching and training to support and develop our current provision
 - Subsidise coaching for pupils
 - Purchase additional gymnastics and games equipment
- Provide a school based swimming programme
- Introduce a Fit for Life Programme

Dear Pupils and teachers at Ardleigh Green Junior School,

Thank you for welcoming me to your school and for sharing with me all the great work you are doing.

I was keen to find out more about PE and physical activity in your school and was inspired by all of the ways you are active during your day. I had the opportunity to see wonderful dances being created in PE, some amazing basketball skills in Games, French and movement coming together in '5-a-day!' and some PBs being smashed at the lunchtime athletics club!

I really enjoyed looking at your beautiful notice boards and learning how to use coding to build tower blocks. I loved the 'determination' song you performed for me in the afternoon and was moved by the world prayer video.

For those of you who will be at the London School Games on the 6th July – Good Luck and I will see you there!

Best wishes

Liz

Dear John and Simon,

I wanted to thank you for hosting us at your school this morning, both Ashley and I had a fantastic morning from the assembly welcome and signing of 'We shall be first' to the conversations with the confident but modest students and with yourselves. It is evident that Ardleigh Green are putting PE at the heart of the school curriculum and using the power of sport to improve the lives of the students and their families. I was excited to hear of the developments with the Ardleigh Green Community Centre and look forward to an opportunity where we can partner in the future to bring the Sport and Physical Activity agenda to your community.

It is clear that the school is excelling in PE, Sport and Physical Activity and therefore been awarded the Gold Quality Mark for 2 academic years – congratulations! Please find attached a short report from this morning's visit. Whilst I captured lots of great information I have kept it to the point with some areas recommended for support or development using the benefits associated with your membership to the YST. My colleague Janine will share the accreditation logo and any further associated paperwork with the award.

There are a couple of areas I would like to follow up on, the London Head Teacher Ambassador Network and then in turn the PECatalYST opportunities for Simon, but also the work with the Community Centre. I will be in touch.

Thank you again for making us feel so welcome and showcasing what a Gold Quality Mark school should look like.

Have a great week ahead.

Kind regards,

Naomi Bolton
