Update from Mr Morris Ardleigh Green Junior School Oct 04 2021, 10:11

Dear Parent

I hope this email finds you and your family well. Apologies that my Friday update has arrived on a Monday morning, but I forgot to press send on Friday!

Junior School Meals

Could I please remind junior parents to regularly check the balance of your child's sQuid School Meals account. Havering School Meals Service will only provide a school dinner for junior children if their sQuid account is in credit.

Parent Consultations

Autumn Term Parent Consultations will be held the week before half term (week commencing Monday 18th October).

Spring Term Parent Consultations will take place the week beginning 8th February.

Autumn Term consultations will be virtual using the same platform which was used last term. Spring Term consultations, Covid permitting will be face to face.

Information regarding booking an appointment will be sent to you via ParentMail on Wednesday 6th October at 6.00pm .

Pupil Absence

If your child is absent from school, please ring the Infant or Junior Office even if you have sent a DoJo to your child's teacher. A message can be left by selecting option 1. This will allow us to update school registers and avoid having to ring you to explain your child's absence. Thank you for your assistance.

We are still having an increasing number of children arriving late. This causes disruption for the class and often distress for the child concerned. Gates open at 8.45am so please arrive as near to this time as possible. Registration is at 8.55am after which time all external gates with the exception of the double gates leading to the Year 2/Junior School waiting area, are locked.

If you do arrive after this time please take your child to the office and sign him/her in giving your reason for lateness and your child's choice of school lunch.

School Uniform

Could I please remind you of the importance of ensuring that your child wears his/her full school uniform to school except on their allocated PE day. On PE days please ensure your child wears his/her school PE kit.

Medical Information

If there is any change to your child's medical condition, (eg change of medication, dosage, procedures etc), **please inform the school office in writing**. Messages should not be passed on verbally to staff.

Car Park

Please do not use the staff car park at any time - including drop offs for breakfast club. The car park should **not** be used as a pedestrian walkway.

Have a great week.

Mr Morris
