# Key Facts

Heroes are people who do something brave but role models are people who inspire others to be better people.

Jesus was baptised in the River Jordan by his cousin John.

Baptism is all about starting a new life.

Christians believe Jesus was tempted to use his powers from God to help himself not others.

Temptation leads to two choices - succumb or resist!

Our conscience helps us to make choices.

Parables are stories Jesus told to help explain how to live a good life and, Christians believe, what God intends for people to do.

The Beatitudes are the eight guidelines that Jesus taught in the Sermon on the Mount.
